1 x family swim – Eccleshill Pool

Two course meal for two people at The George and Dragon,
Apperley Bridge

*** prizes have kindly been donated**

Parents that have previously attended said:

"This session was so useful, I thought I knew the basics of keeping safe online, but my awareness has now risen dramatically, and I'm still stunned at what I learnt. Not only was it so interesting with very 'real' current content, but useful strategies are also shared, such as how to work together with your children in being safe online"
