

Ridgeway Weekly Update

Friday 10th May

This Week:

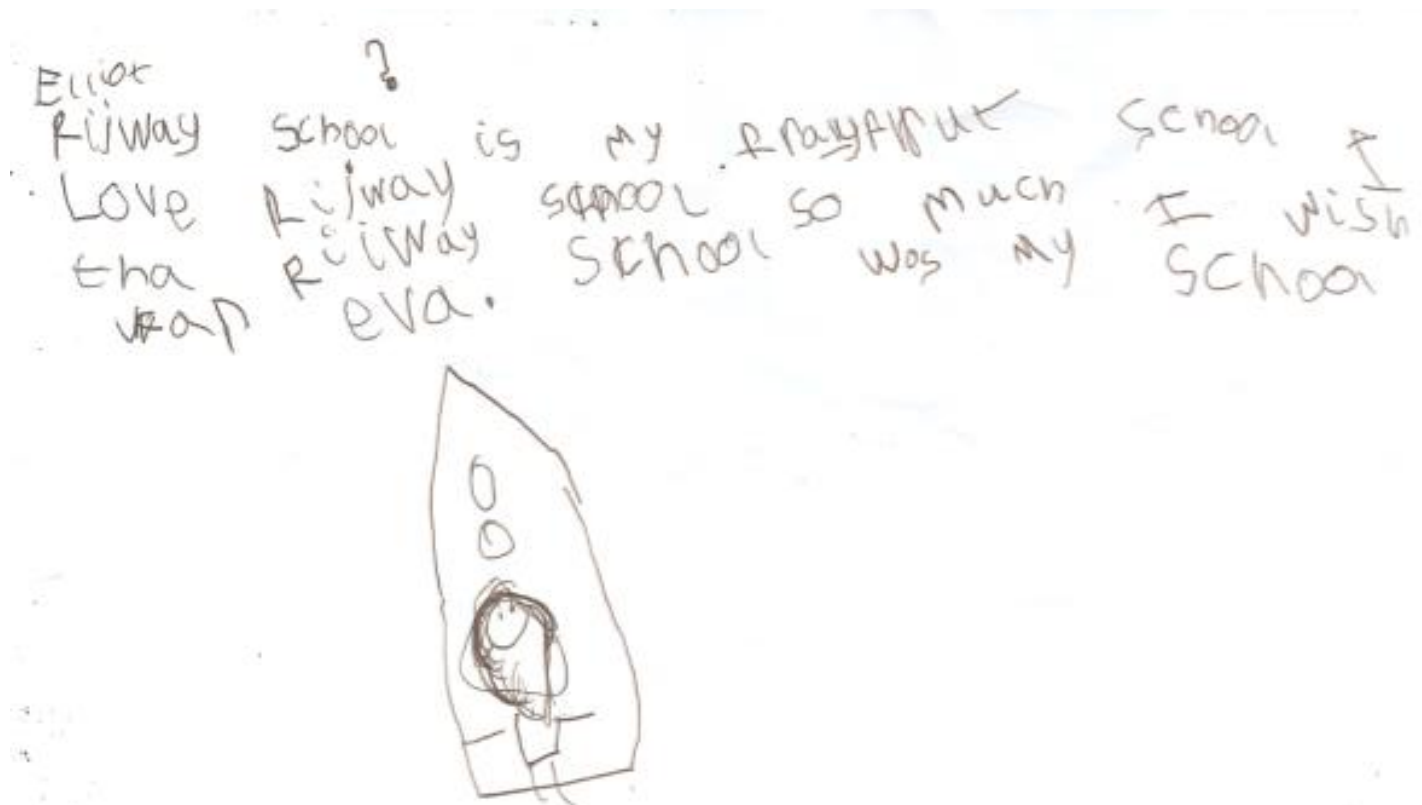

- Unfortunately, the weather has not been kind to us this week and we had to cancel our Dig & Doughnuts event on Thursday. However, we have rescheduled for next Thursday (16th May) at the same time and we hope that the wood we have to sand and paint has dried out by then! Please join us if you can. Children must be accompanied by adults.
- Year 2 Special Agent Tasks are going well and will continue next week.
- Thank you to everyone who has undertaken our recycling challenge with gusto! We have had lots of batteries and stamps donated already. If anyone has any ideas about what else we could collect, please let us know. We have space for two more boxes on the recycling station.

Coming Up Next Week:

- Class 5's cancelled Maths Open Session has been rearranged for Mon 13th May. Invited parents will already have had a letter about this. We look forward to see you then.

Writing Showcase

This week our brilliant writing has been done by Elliot in Class 2. She has written all about Ridgeway Infant School and what she likes about it – which of course was a pleasure to read! Elliot has tried so hard to use all the sounds she can hear to spell words correctly. She has used finger spaces to write a sentence that makes sense and used a capital letters and full stops too. Fantastic writing Elliot!
