Dear Children, Parents and Staff,

Please join me in congratulating Mrs Alexander in securing a position as Head Teacher at The Nethersole Primary Academy within our wider Trust. Mrs Alexander has worked diligently over the last 4 years to support our children and engaged readily with our school community. I am personally very grateful for all her hard work and support of myself and the other staff in school. She has helped St George's progress to achieve well both academically and build a stronger vibrant community. Her attention to detail, skill in developing teaching and learning, building of our positive ethos through collective worship and parental engagement has been a real strength and helped the school to achieve external recognition. She will be dearly missed by all and her love for our children will always be remembered. We look forward to collaborating with her new school in the future and still getting the opportunity to work across the wider Trust. We wish her every success in the future and we are very proud of her leadership development and progression into make a continued difference in the lives of young children. Mrs Alexander will be taking up her post on the 3rd June 2019. We thank her for all she has done, we wish her a heartfelt goodbye and good luck in her new role as she will make a fantastic Head Teacher. Please come and join us for a farewell assembly on Friday 17th May when we can give her a good send off.

Best wishes from the Family of St George's.

St George's Day Celebrations

Parents and carers were invited to join our children in a special St George's Day Family Time. Each class made ambition flags representing their hopes and dreams for the future. This was a lovely activity to be shared between peers and family and we look forward to our children achieving their vision.

A group of year 3 children performed the St George's Day play, written by Mr Pinkess. The performance was humorous and engaging. A huge thank you to the children for putting on such a great show and to Mr Pinkess for writing a fantastic new script. Our year 5 children also performed some songs from their Young Voices concert and our choir performed, lead by Pat.

Mrs Art-Brown created an oak tree, the national tree of England and provided foil leaves for visitors to inscribe with words to reflect on what being part of St George's community means to them.

Thank you to everyone involved in the day and to the Church for organising such an inclusive event for the community.
