Issue 27— 10th May 2019

Dear Parents

This week has been a short week but we seem to have packed in as much in 4 days than 5! The school has a real buzz about it and children are working hard on a variety activities from gardening, Forest Thursday, making and designing bags, as well as really focussed Maths and English work in the mornings.

I was immensely proud of the children who took part in the 'Strings' recital on Wednesday. Playing a musical instrument involves so many skills - not only the playing of it, but also the hugely important life skills of perseverance, patience and courage. Every child performed beautifully and you could visibly see their confidence grow.

The PTA and I had a long meeting this week. The PTA are a hugely dedicated group of parents who so far this year, with your help, have raised over £10,000 to enrich the education of your children. At the meeting, we had to make the very hard decision to postpone the Summer Fair this year. Unfortunately due to a number of circumstances it was felt that we would have a year off and come back with a bigger and better fair next year. **However - the newly renamed HOGFEST will replace it, so watch this space for more information.** If you would like to be involved it is a great way to meet and socialise with like minded parents.

Enjoy the weather this weekend - you might have noticed I like to keep a close eye on it! Fingers crossed for gardening and cycling weather but what ever you are planning have a great one.
