

Weekly ParentMail - 10th May 2019

Dear Parents/Carers, please find below information for all classes and Maths Library flyer.

Thank you, School Office.

I am pleased that I have been able to return to work this week following my operation. Thank you for all your kind wishes that you have made as I have seen you this week. Although still moving slowly around school, I am sure the walking up and down the many steps around school is good exercise and will help with my recovery!

I would like to thank Mrs Worthington and Mr Tatton for leading on things whilst I have been away, Mrs Asquith and her team for keeping things moving smoothly in the office and all the staff for continuing their hard work in ensuring the children continue to enjoy such varied curriculum experiences.

I will be sending my lengthier Headteacher newsletter next week, with more details of what we are currently working on in school.

I look forward to seeing you around school.

Mrs Julie Newby

Walking Group

A few of the mums from South Cave School have started a weekly Friday morning walk straight from the playground after drop off. We walk for about 3 - 4 miles, just over an hour and explore the local public footpaths, chatting as we go. If anyone else would like to join us, we would welcome the company.

Please contact Alice on 07534030827 if you would like to join us. All welcome!!!

Free Compost

Each year the council give away free bags of compost to residents. In the past parents have been kind enough to collect bags and donate them to school. We can always make use of them for growing projects and outdoor learning with the children. If you are able to do this we would be very grateful. Dates and venues are listed below. Allergies in School

Within our school environment, we sometimes have children who have different allergies. This currently includes some children with nut allergies. In order to control this situation, we would therefore ask that no food is brought in to share with classes that contains nuts.

In addition, we would also ask your support with this when preparing your child's packed lunch. Thank you for your support and understanding.

Dinner Money Accounts

Please could we politely ask that all dinner money accounts are in credit. The school budget cannot sustain any level of debt. We appreciate your support with this.
