

**Eco
Environmentalists'
Challenge.**

Design an
environmental
superhero for our
school!

What super powers
to help the
environment does
your hero have?

Label your character
to show these
powers.

Prize for the most creative

Name of superhero:

cat girl

Name of designer:

Isis Tanner

With one
meow the
rain
forrest
grows,
again!

She can suck
up dirty fumes
from cars

She can
make
fires into
flowers

She can
clean
up rubbish
and make
it into
plants

She
make
cars
turn
in to
plant
cars
which
puff out
clean water

She
can
fly

She cleans water in poor countries
