Dear parents, carers and members of the community,
How quickly does time fly? Y6 have SATs this week – they are completely ready and only need to try to do their very best! Their secondary schools are organising visits to see the children to inform them about September – it's not long now before they move on and upwards to the next stage of their life!

Term dates for the next two years are being decided on and will be advised to you separately shortly and will be put on the online calendar on our website.
