

OUR LADY OF VICTORIES

We held some special services and activities to help the children remember and reflect on the events of Holy Week. The children in Reception class in particular loved our Lenten reflection in the entrance, which was organised by the R.E. Council.

KS1 led a moving service based on Palm Sunday and Year 5 recreated Maundy Thursday for the school to watch.

We had lots of exciting Easter activities for the children to take part in, such as the Easter bonnet parade, decorated egg competitions, colouring competitions and Easter egg hunts. Children raised money for school funds through these activities and had fun in the meantime.

May is a special month in the school year. It is a time when we think about Mary. We have the opportunity to say the Rosary and we are looking forward to our May procession later in the month. The children all bring in flowers and these are laid by the statue of Our Lady. Look out for our pictures on Twitter.
