Thank you with all your support so far with homework and various projects.

Timetable:

The timetable in Class 3 is fairly flexible to allow for DT projects or topic days, and also to make sure children can use the Computer suite to help with their work in a variety of subjects.
Work starts straight away every morning when the doors open at 8.45. Each day will be starting with reflection time and early morning activities.

Thank you for your continued support,
Kind regards,
Mrs Stubbs and Mrs Prescott
