# During Term 6 we will be learning to:

Re-read what we have written to check that it makes sense. We will be learning to correct our errors using a 'purple polishing pen' to show that we have made corrections.
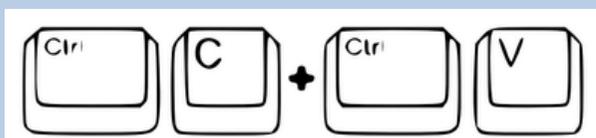

Explore how to make simple mechanisms (e.g. levers and sliders). We will be creating a pop up book.

Use a blank number line to help us add and subtract, using partitioning (breaking the number into tens and ones). We will also continue to learn how to count forwards and backwards in 10's from any given number.

54
50   4

Use the copy and paste buttons, including the shortcut controls. Ctrl c for copy and Ctrl v for pasting.
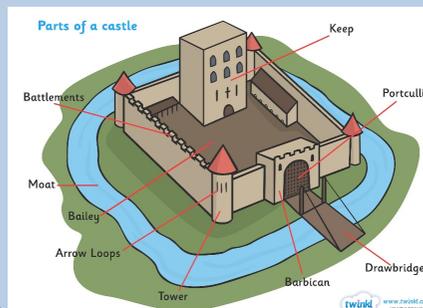

Master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities to support us with our Sports day.
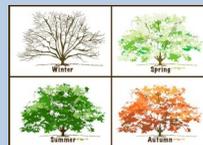

Name different features of castles. Can you name any of the features?

Challenge: can you name any castles in the UK?

Parts of a castle
Keep
Battlements
Portcullis
Moat
Bailey
Arrow Loops
Drawbridge
Tower
Barbican
twinkl

Collect all of our findings over the year to describe weather associated with the seasons and how the day length varies.

Winter   Spring
Summer   Autumn
