Year 5 & 6 Visit to Winchester Science Centre & Planetarium **Wednesday 26th June**

Dear Parents/Carers,

As an exciting part of our learning in Science about Earth, Sun and Moon and to extend the children's understanding of matter and reversible and irreversible changes, we will be making an educational visit to the Winchester Science Centre and Planetarium on Wednesday 26th June.

Mr Green, Miss Gibaud, Miss Duncan and myself will be attending the visit. We would also like to ask if any DBS cleared parents would like to accompany us, please indicate if so on the attached permission slip.

I have pre-visited the centre and selected the activities most useful to our learning.

Children will travel by Laguna Coaches leaving school at 9.00am and will be back at Bransgore by the end of the school day.

Children will need:

- To wear **school uniform/shoes**.
- Bring a **packed lunch**.

If your child is likely to be travel sick please make sure they have had medication at the appropriate time and a suitable breakfast before the journey. We can give medication for the return journey but you will need to complete some paperwork with the office and this medication will be kept with first aiders and given to the appropriate child by an adult.

To cover the cost of the trip including travel we are asking for **£14.40** per child. This is a voluntary contribution, however, if we do not receive enough contributions we will not be able to go ahead with this visit. We receive funding for any families eligible for Pupil Premium, so the cost for these pupils will be paid for from this funding.

Please return the permission slip and contribution **by Friday 17th May 2019.**

If you have any questions about this visit please ask the school office or myself. Thank you for your continued support with your child's learning.

Regards

Becci Fitzpatrick (Pluto Class Teacher)
