Kiwi News

There have been lots of exciting events at Kiwi since our last newsletter including...

Y3/4 Residential

Y3/4 headed to Magdalen Farm in Somerset for a short stay to learn more about where food comes from, organic farming and outdoor learning. Although a bit chilly at times, the weather was kind and stayed dry for the duration of the visit.

The children had lots of fun helping on the farm— they fed goats, pigs and chickens before collecting and sorting the eggs. They also enjoyed outdoor challenges including building shelters, lighting fires, completing team challenges, natural art and picking and tasting salad leaves including sorrel which was incredibly bitter! Ask the Y3/4 children how to clean your teeth if you don't have a toothbrush! You might like to visit the gallery on the school website to view some photos of the visit.

SATs

Last week, Year 2 pupils calmly and confidently completed their SATs to support end of Key Stage One Teacher Assessment judgements. Well done Year 2 for being Trying Tortoises!

This week, Year 6 have been completing their SATs. They have demonstrated maturity and positive 'give it a go' attitudes making staff proud by 'Trying their Best to be their Best.' Well done Year 6 too!

Reminder

Please remember to name your children's clothing. As the weather improves, we find that the children often leave coats and jumpers outside—it is much easier to reunite them with their owners if they are named.

Thank you for your support.
