

Dear Parents,

Welcome to the Summer term! We will be studying most of our subjects through our topics, 'Tomorrow's World' and 'ID'. Please keep an eye on the newsletter as dates will be published for any upcoming sporting events. SATs are the week 13th May. Please encourage your child to continue their 10 minute revision schedule until then and to be well rested for this important week.

Class 6 will have PE on Monday and Wednesday afternoon with Essential skills. Please can you ensure that your child's uniform (including footwear) and **P.E kit should be clearly labelled and it is very important it stays in school all week**. PE uniform should be a dark coloured pair of shorts and tracksuit bottoms such as black or navy blue, and a blue or Minety PE t-shirt as well as black daps or trainers. Children with long hair should also be provided with a hair band, please.

Homework will continue to be set weekly on a Friday to be returned on Wednesday. Spellings will be sent home on Monday to be tested a week later. Of course, reading is vital and your child should be reading daily if possible. We would be grateful if you could support your child with homework. It is important to back up work in class and to establish a regular homework habit before secondary school. Spelling is a major focus this term – please encourage your child to practise each week and bring their spelling folder/glasses/PE kit every day to school.

If you need to see us for any reason, or would like to help with reading in class and are not able to catch us before or after school, please phone the office and we will contact you as soon as possible to arrange a meeting.

Thank you for your support,

Ben John and Emma Griffin
