Tri-Golf

A group of ten children from years 3 and 4 attended a tri-golf skills festival after school at Guilsborough Cricket Club on Tuesday, accompanied as always by our amazing Mrs Horn.

The children all enjoyed taking part and learnt some new skills. They were all, on the whole, very well behaved and represented the school extremely well. It was commented by a parent how respectful our children are.

After a slight mix-up with the scores which saw us wrongly disqualified, Welford ended up in second place out of fourteen schools – Well done to all of those who took part and thanks as always to Mrs Horn, who gives up a phenomenal amount of her own time to ensure that pupils get the opportunity to participate in such a wide variety of events.

Good Luck Year 6!

Next week year 6 will be completing their End of Key Stage Assessments (commonly known as SATs). They have all worked extremely hard throughout the year and we are very proud of them. We are sure that they will all do their very best next week to show what they are capable of, but do also remember year 6...

Wagtails and Woodpeckers dressing up day – see blue books. **TERM 5 ENDS**

Parking

We still have a small number of parents failing to observe the yellow zig-zag lines outside school. Please can we ask for consideration to the safety of children travelling to and from school and request that you do not park on the yellow zig-zags when collecting or dropping off your children at school. This includes at after school clubs. The blue gates into the school car park should also be left clear at all times please, as they are required for access. We realise that parking can be a problem along West Street at busy times, but your co-operation is appreciated.

School Safety

Everybody Working Together

Reading idea of the week:

Did you know that children who read books often at age 10 gain higher results in maths, vocabulary and spelling tests at age 16 than those who read less regularly?

The best single thing you can do for your child's education is encourage them to read. We do everything we can at school but one teacher and 20-30 children cannot have the same impact that you as parents can, just enjoying books with your child.

Don't forget to check our website regularly at www.wsses.com. New content is added regularly, and you can find diary dates, information about uniform, snack, the Cool Milk scheme, school dinners and pupil premium, as well as resources, news and photos on the class pages.
