

Sport Premium Funding Report 2017-2018

Projected Expenditure £20,192

School Sport Vision:

As well as the obvious health benefits, at IJS we believe that sport and physical activity can raise attainment, encourage teamwork, build self-esteem and develop emotional intelligence. As a school we strive to deliver quality Physical Education and give children the chance to experience a wide variety of sporting activities throughout their time with us.

PESS Premium Key Outcome indicator	School Focus	Actions to help achieve this	Expenditure	Impact
Physical Education

		Attend a variety of school games tournaments	Coach and minibus costs - £655	School games competitions gave a lots of children the opportunity to compete against athletes from other schools across a variety of sports in a safe but competitive environment.
			School games entry cost- £30	
		Swimming lessons and training for county swimming gala	Swimming pool cost- £3212	Years 4,5 and 6 take part in a terms worth of swimming each. Which helps to improve their water confidence with the aim of swimming 25m unsupported by the end of ks2. <i>Need to allocate more time for each year group to enable all children to achieve 25 metres</i>

Informal activity				
<p>5.The Engagement of all pupils in regular physical activity</p>	<p>Engage a greater number of children in recreational play and physical activities.</p>	<p>Change 4 Life targeted intervention</p> <p>Active leader training for lunchtime supervisors</p> <p>£1500</p>	<p>Change for life clubs will help raise the activity levels of sedentary children as well as teach the importance of regular activity and a healthy lifestyle.</p> <p>Active playtime leaders will give children an opportunity the spend lunchtimes playing structured games.</p>	
<p>6. Improve children's overall health and well-being through physical activity</p>	<p>Promote benefits of physical activity in combating obesity and mental health issue.</p>	<p>Weekly physical challenges that all children are encouraged to take part in at break and lunch times. (running, skipping, jumping jacks etc). Recognition and prizes for the most active class each week. (children receive a marble for the class jar every time they do a challenge).</p> <p>Special mentions in the weekly assembly-communicated to parents.</p> <p>Monthly involvement with parents and siblings (with the view to getting the whole family fit and active).</p> <p>Lunch times sessions to be run each day by either TM, MW, SP, DB. (cost of coaches for the year £2,160 approximately)</p>	<p>They should feel calm and have a sense of well-being after they exercise. With a healthy diet, the weight loss that accompanies exercise can also help children to feel better about themselves.</p> <p>This will also have a positive impact on the behaviour at break/ lunch times as there will always be something structured and active for the children to take part in.</p>	

Active transport				
<p>6.Increase Confidence and competence in decision making regarding transport.</p>	<p>Encourage children to walk to school.</p> <p>Teach children the importance of road safety</p>	<p>Training for a group of year 6 children</p>	<p>£100</p>	<p>JRSO's are appointed and trained. They help to run competitions and assemblies, spreading awareness of road safety across the school.</p>

2017/18

The main aim of the sport premium spend this academic year was to consolidate and support teachers with the transition to 'Real PE' curriculum, linked to point 2 from the sport premium report. We have employed a registered 'Real PE' tutor to help teachers across the school improve their confidence and competence teaching P.E. We are also introducing an assessment tool for teachers so we can track the progress pupils. The feedback from teachers involved has been positive so this will continue into the next academic year.

A new storage area has been planned and ordered, to be installed prior to the beginning of the next academic year, this will also help staff to plan and organize lessons more efficiently, leading to a more positive experience within PE lessons.

PR sports coaching have been tasked with developing 'sports Leaders' who have helped to organize interschool tournaments and we plan to develop their role further next year.

Plans for 2018/19

After surveying the pupils across the school it was clear that one area which needs to be addressed is the children's activity levels at school. Only 20% of children believe that they were physically active every day, and the main reason given was a lack of 'organised play'. We plan to have a group of 'sports leaders' trained to offer activities and challenges during break and lunch times so there will always be something happening on the playground, this will be supported by external coaches and the PE Leads. This will be celebrated through assemblies and also with parents via our twitter account.

Only 34% of children surveyed attended school sports clubs so we are looking to add a variety of additional activities to appeal to a wider audience. We plan to enter Northamptonshire sports inclusive sport scheme which is aimed at children with special educational needs as well as physically inactive children. They offer tournaments such as indoor curling, archery and goal ball which will give children who aren't currently given the chance to attend extracurricular sports tournaments additional opportunities for activity.

Staff also feel that the profile of PE and sport needs to be raised across the school. More teachers need to be involved in extracurricular sport and successes need to be celebrated. We plan to move the school sports board and set up an IJS twitter account. We will assign staff and a school sports crew members to regularly update them, so staff, pupils and visitors can be aware of the amazing things going on across the school.
