This Week's Data Whole School Attendance

96% - Satisfactory
Well done to

Shakespeare, who had an attendance of 100% and Sharratt who had an attendance of 98%.

They will get an extra five minutes playtime.

Well done them!

We handed out 26 Bronze and 5 Silver and 2 Gold Athletics certificates! Well done everyone – keep up the good work.

The Red Team won the Anlabee Challenge this week.

Year 6

All the Year 6 staff would like to say a big thank you to all the children for all their hard work preparing for their SATs this week.

Also another big thank you to all the parents for all the hard work that you have put in to. It was very much appreciated.

This Week

Simmons have been learning the first steps in phonics! They have enjoyed learning about capacity and playing in the water.

Inkpen and Rosen have been enjoyed the new garden centre role play area where they are learning about money. They have read the story of the Three Bears and are trying to re-tell the tale.

Sharratt and Donaldson have been reading the story of The Snail and the Whale and using sign language to re-tell it and preparing their outdoor area ready for some gardening.

Potter and Ahlberg have been writing their own versions of The Tiny Seed. In gymnastics they have been following sequences on the apparatus.

Murphy and Dahl have been learning a range of stitches to make puppets to represent their Charlie and the Chocolate Factory characters.

Morpurgo and Kinney have been learning how to play the recorder. They have also been making preparations for their Viking bun sale.

Herge and Walliams have been learning how to PEE while reading! This involves making a point, explaining it and giving evidence. They have also enjoyed practising their dance routines done with the Hull FC coaches.

Shakespeare and Rowling have created some beautiful animal habitat art work. The children really enjoyed the SATs breakfast club and really did a super job this week.

The Hive Out of School Club

We have made the most of the sunshine this week.

We have continued to develop our garden area by planting marigolds, nicotiana and geraniums and were very excited at the first signs of our strawberries growing.

We have planted grass heads and experimented with different ways to plant broad beans. We have explored close up photography to capture the details of our garden: such as the water droplets and explored colour mixing whilst creating observational paintings.

We had a lot of trying to master juggling and plate spinning! Table tennis champions of the week are Romi and Mason.

Places are available for the May half term.

Email thehiveanlaby@gmail.com for booking.

View from the Classroom Floor

It was the Y6 Sats this week and we think that both classes did an amazing job and tried their best.

Mrs Greer came in to wish us all the best and to show off her son George. We all though he was adorable!

We have been selecting the newsletter writers for next year. Results next week.

Annelise, Katie, Ana Abigail, Laura, Olivia.

Year 6 Hoodies

It is good to see that lots of the Y6 children have already bought the leavers hoodies.

If you have not done so already and you want an excellent reminder of your time at Anlaby Primary School go to the following website.

<https://shop.leavershoodies.com/anlabyprimaryschool2019>

Whatever the weather they always seem to wear them in the last week of term!

A Guide to Helping your child with their Wellbeing

In today's society, almost everyone faces stress at some point. This self help guide suggests ways to keep your child happy, healthy and safe, and we hope it will also provide a starting point for you to talk to them about wellbeing.

Relationships

Tell your child that you love them every day.

It's good to establish and maintain boundaries with your child – it helps them to feel safe.

Be a positive role model for your child.

Managing Behaviour

Praise your child's efforts as well as their achievements – for example, telling them they've done well for trying hard.

It's okay to make mistakes, and let your child know this – it provides them with important learning opportunities.

If your child does something wrong, tell them, but focus on their action and how to do better next time.

Raising Self-esteem

When things are difficult help your child to see it as part of life and learning and that it happens to all of us.

Teach your child not to give up and to keep trying.

Listen to your child and show them you value their views and opinions.

Miss Hopps

We are very pleased that Miss Hopps will be returning to Team Rosen after her maternity leave ends after half term.

She has already been in school working closely with Mrs Britton to get to know all about the children and their needs.

If your child is in Team Rosen look out from Miss Hopps on Thursdays and Fridays. Mrs Britton will still be working with the children on Monday and Tuesday.

The Hive Summer Opening

We are now taking expressions of interest for the summer holidays.

When we know the numbers of children involved we will be able to make decisions about which days to open.

If you don't usually take your children to The Hive but fancy something different for the children over the summer holidays call in at the Office or see Miss Stanley for details.

I would like Mr May to know...
