### SATs

We were all very impressed with our Y6 children this week as they tackled the end of key stage tests with determination and resilience. The scripts have been sent away to be marked and the outcomes will be released on Tuesday 9 July.

We are also pleased to say that all our Y2 children have completed their Secret Agent Training this week. The outcomes of the 'Training tests' are used as one part of the overall teacher assessment for the year.

### Sun Screen

In anticipation of some more decent weather, if you wish your child to wear sun screen in school, please apply it before school in the morning and give a clearly labelled bottle which can be stored in the classroom and staff will supervise younger children around lunchtime as they apply it themselves. We would also encourage children to have a hat and drink available on warm days.

You are invited to our Book Fair! We're going to be holding a Scholastic Book Fair on the week beginning Monday 20th May. It will take place every night, straight after school, from Monday 20th May to Thursday 23rd May. There will be hundreds of fantastic books for you and your child to browse through. The prices start at just £2 and there's such a great range that there's bound to be something that your child will enjoy. Plus, up to 60p in every £1 you spend is given back to our school in FREE BOOKS! I hope that you will be able to join us and make this celebration of reading a huge success!

The new ParentApp - **Connect by ParentApps** can be downloaded from the links on the images. Once the majority of parents are using the app, this will replace the text messaging service and will become our main means of communication.
