INVESTOR IN PEOPLE

Number 355 – 17th May 2019

Dear Parents

Firstly, it has been a very busy week for Year 6 as they took their SATs. I am extremely proud of all the children for their hard work and efforts and am sure they will be very pleased with their results when they come out in July. Well done Year 6 and a huge thank you to Mrs Terry and Mrs Heath especially, Mrs Curry, Miss Thea as well as Mrs Kerai, Miss Nolan, Miss Wade, who have worked with the children all year but also to all the staff who have supported the children this week – Mr McSperrin, Mrs Haneef, Mrs Joseph. Thank you to all the parents who ensured the children were at school on time and prepared for their tests.

In addition, other staff have supported with Breakfast Club and have had disruption to their own timetables without hesitation. We truly have an excellent team so a huge thank you to all my staff.

Baby news

I am delighted to announce that Mrs Kerai had a baby boy on Tuesday 14th May weighing a healthy 7lb 3oz. They have named him Charlie and both mother and baby are doing really well.

Late collections

Please ensure that your child is collected on time at the end of the school day. This can be very distressing for some children. We have raised the concern with the Welfare officer and we have been advised that if this continues and is a regular occurrence, the Social Services will be informed and you will be contacted by them.

Trips

There will be many trips taking place in the coming weeks so please ensure you check your child's bag and school app for information and payment regarding this. Please send reply slips and any payments in a clearly named envelope. We are having to constantly contact parents regarding the reply slips and without this consent, we are unable to take children out of school. Also, taking children out on trips is a big responsibility and if I deem a child's behaviour hinders the safety of themselves and/or others, I reserve the right to prevent that child/children from going on the trip. Should this happen, they would still be expected to attend school as normal. Children are expected to listen and follow instructions from adults in order to be kept safe. It is imperative that you talk to your child regarding this matter.

After half term, we will only accept payment via Parent Pay. This includes dinner money, Kidzone and school trips.

First Holy Communion

Please keep all the children who are due to receive their First Holy Communion on Sunday 19th May in your prayers. I am sure they will enjoy this wonderful occasion. If your child is singing in the choir, please ensure that they arrive at the church by 10.30am. Please be aware that as it is an event day, parking will be limited.

Polling day – European Elections 23rd May 2019

As the school will be used as a polling station, we are closed on Thursday 23rd May.

Own clothes day

A number of parents have requested that Friday 24th May to be an own clothes day as it is the last day before half term. If you wish your child to come in own clothes, they may do so but we ask for a contribution towards our sensory room in the new build. All donations will be greatly appreciated.

MOBILE NUMBERS

If you change your mobile number can you please inform the school as a matter of urgency. Just lately the phone numbers I have on our data base seem to be unobtainable. We must have at least 3 or 4 numbers if we need to contact you in an emerge

Have a lovely weekend and God bless!
