Friday 17th May 2019

Dear Parents/Carers,

Another week over. Year 6 have been AMAZING this week with the SATS tests-we could not have asked for more from them. They have been celebrating today, and they truly deserve those treats!! Well done Year 6!!

PTA meeting

Our first PTA meeting for the summer term will be taking place on **Monday 20th May at 9 a.m.** to begin discussing the Summer Fayre. All are welcome. As you know, we are attempting to raise as much money as possible for our quad area outside the Year 3 and 4 corridor. If you cannot make this time but would like to contribute towards our Fayre, please don't hesitate to ring me. I look forward to seeing you there.

Road Safety

A number of you have spoken to me about road safety recently, and there have been a couple of incidents recently out on our road again. I cannot stress to you all the importance of parking safely and remaining vigilant at all times when dropping off and picking up your children. We are inviting guest speakers to come and discuss road safety with all our pupils in the Summer and Autumn term, and we are already on our way to making posters to put up outside our school gates to raise the importance of this topic. Thank you for your support on this, and I will continue to make this a key priority within school.

Attendance

This week, our attendance was 96%. Over the past couple of weeks, our attendance has dropped ever so slightly. I understand that there have been tummy upsets and bugs, but we need to make sure that this number continues to rise. I would also like to stress at this point that holiday requests are very rarely authorised, and this is in line with our Attendance Policy. Fines may, and have been enforced. Every day matters for your child's education.

Thank you for your continued support.
