Worship Theme

'Help, I'm stuck under a whale!' is one of the most helpful sentences you can say if you are, indeed, stuck under a whale and need help.

If you'd like an explanation of why we're even talking about this then try asking any children who were in the service this week if they can remember what happened!

We were looking at how serving is a two way theme...so far we've looked at how we can serve others, and the bible says that we do this because Jesus loved us first. We had some great readers and prayers from the kids to give us the bible reading and help us reflect on how Jesus serves us.

"This is love: not that we loved God, but that he loved us and sent his Son as an atoning sacrifice for our sins."

1 John 4:10
