For more information on what this incredibly insightful documentary movie 'Screenagers' is about see this link: <https://www.screenagersmovie.com/about>

This is an award-winning film that probes into the vulnerable corners of family life. It depicts messy struggles over social media, video games and includes insights from psychologists, scientists and academics. The film offers solutions on how we - adults and children - can navigate the digital world together.

- Please see attached a '**Park well, stay safe**' leaflet – a guide to safe, legal and considerate parking and drop off near our school – for those parents/carers who drive their children to school.
- Please will you check your child's **Parent Pay** account to ensure that meals, Before School Club, trips, etc are all paid up to date.
- All children need to have a complete **PE kit** in school comprising of St Andrew's School navy t-shirt, white shorts and black plimsolls (trainers for KS2) in a St Andrew's drawstring PE bag.
- We have gained a lot of **lost property** over the last few months – if your child has lost anything please check our lost property drawers. We will have to start sending items to charity as we don't have the space to store them.

Worship Theme

We had a great start to the term with the new theme of 'Thankfulness'.

We had a game involving being covered in toilet roll (please ask them for more information!) and we talked about what saying thank you says about us and about those we're thanking.

It's not just about being polite (though it is polite of course!) but it says 'you've done something for me that I needed'.

That's what the guy in our bible reading came back to Jesus to say...and here's the reply →

“Were not all ten cleansed? Where are the other nine? Has no one returned to give praise to God except this one Samaritan?” Then he said to him, “Rise and go; your faith has made you well.”
