Miss Bickley (EAL Leader)

Attendance Winners W/C 06/05/19

7 Dove with 99% and 21 Barn Owl with 99.6%!
Whole school attendance = 96.2%
Well done! ☺

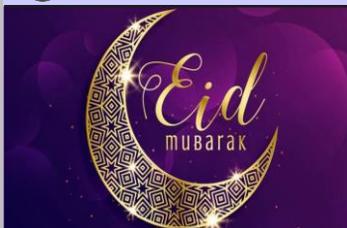

A BIG Well Done!

Well done to all of the staff and children in Year 2 and Year 6 who have completed their formal SATs assessments in the last 2 weeks. Great **#resilience**, talent and perseverance on display by all.

If you are celebrating Eid after half-term, please let the school office know that your child will not be in school. We will not need to contact you on the day if you tell us in advance.

Children are entitled to 1 day off school for Religious Observance per year.

PTA Thank You...

The Friends of Kestrels' PTA organised two successful movie evenings. The school enjoyed two fun filled evenings of popcorn, pizza, drinks and tortilla crisps. Thanks to all who attended the event and to the parents for your continued support, you have helped us to raise a **WHOPPING £613.17** towards school projects.

The PTA have worked extremely hard this year to organise New Year's discos, a World Book Day event and our fabulous movie nights. These events wouldn't have been possible without the unwavering support of kind parents who have given up their spare time. We have a fantastic team who want the children of Kestrels' Field to have some enjoyable and unforgettable experiences.

If you would like to become part of our PTA group or would like to volunteer for an event, please get in contact with us via email pta@kestrelsf.leicester.sch.uk

A big thank to the staff that have given their time too! ☺

Well Done Year 4 Swimmers!

A huge well done to all of the Year 4 children for being so **#resilient** and **#curious** in their swimming lessons. The children have now all been tested and organised into their groups. We can't wait to see how many children will be able to complete their 25m swim by the end of their sessions. Please remember to keep bringing in your swimming kit every Monday!

United Shoe Recycling Company United Shoe Recycling Company United Shoe Recycling Company

'United Shoes Recycling Company' are an organisation who have an extensive shoes and clothing recycling scheme to help contribute to challenges of global poverty and waste. The aim is to provide developing countries with clothes and shoes that they otherwise wouldn't be able to have.

If you have any unwanted clothes/shoes at home that are sensible and in a wearable condition, please bring them in a bag to school with your child by **Wednesday 22nd May**. Any shoes that are donated **MUST** be given in pairs.

If you would like to find out more information, please go onto their website:

www.unitedshoe.co.uk

Thank you in advance!

ICT with Mr P...

We all want to **'be the best we can be'**! Our teachers are lucky enough to have training sessions with 'Mr.P'.

These will focus on using ICT during lessons.

We are lucky to be sharing this training with colleagues from other TMET schools!

You can follow Mr P on twitter

@**ICT_MrP** to get more of an idea of the ways he uses ICT in classrooms to raise standards. Keep a look out on our teacher's twitter feeds to see their learning in action!

BOYS FOOTBALL PLAY-OFF AT LEICESTER CITY TRAINING GROUND

The team's success in the East Leicester league led them to today's play-offs at the LCFC training ground.

It was a tough morning and the boys did incredibly well to win 1 game and draw 1. Unfortunately it wasn't quite enough to reach the final but they demonstrated such excellent teamwork and resilience and made us all very proud.

Well done to Joe and Alantas too for being super coaches and helping the team to improve their co-operation and team-working skills. We are super proud of all our sportspeople here at Kestrels!

YR 1 – Dinosaurs

Year 1 made an amazing discovery on the school field. They used their investigative skills and worked as teams to find out what had happened after asking many interesting and curious questions. They also wrote a letter to Professor Giles (dinosaur expert).

The children found out the gigantic footprint and eggs belonged to a dinosaur! The children were very excited about this discovery and decided to tell the school by becoming news reporters. Year 1 have now began researching dinosaur facts by reading non-fiction books and visiting the local library. They will be using these facts to create their own dinosaur non-fiction book which will be placed in our school library for all children to read.

The children have now become little dinosaur experts! Test their knowledge by asking them questions - you may learn something new!
