

Driffield Junior School

Dear Parent/Carer

Food and Farming day at Driffield Showground

Our year 6 pupils been invited to attend an exhibition at Driffield Showground on Thursday 23rd May that will encourage children to understand how science and technology helps us to produce food. Children will have the opportunity to talk to people who work in agriculture, watch demonstrations and see some animals that are reared on farms.

The event has been funded by the Driffield Agricultural Society and so is completely free. Children will be registered at school then we will walk down to the showground. Children will need to have sensible shoes for walking (no open-toed sandals) and a waterproof coat. If it is a sunny day please ensure that children have adequate sunscreen and a hat.

Children will also need a packed lunch on that day and plenty of cool drinks. Lunches will be left at a central point so it is vital that they are named. If your child is currently receiving free school meals, he/she is entitled to a free packed lunch for this visit. If you would like a packed lunch providing for your child, please let the school office know by Monday 20th May.

The PSA have kindly paid for the children to each have an ice-cream at lunchtime. If you do not wish your child to have one, please ensure that you inform your child's class teacher.

Yours sincerely

Mrs H Mudd
Year 6 leader
