

Our School Community Week

Can you sing? Can you dance? Would you like to share something about your culture, religion, gender or race with the children? Would you like to talk to the children about disability? Would you like to read a story?

In the first week of Term 6 (WB 3.6.19), we will be celebrating all the different people who make up our school community. This will be done mostly through the arts (music, dance, drama, cookery, art...anything creative!). We would love for parents, grandparents, aunts, uncles, friends to contribute to the learning and make this a truly meaningful and successful week. You do not need any teaching experience - we can help with that!

Celebration!

On the afternoon of Friday 7th June, there will be a whole school celebration with an art gallery, performances and sharing of food. Further details to follow.

If you would like to contribute or have any ideas for Our School Community Week, please don't hesitate to speak to Mrs Donatien or Mrs Woolley.
