### Summer is here!

The sun is out (at the moment) so we need to make sure the children are protected from its harmful rays.

Children should have sun cream applied before they come to school on a morning so they are ready for the day ahead. Sun cream can also be sent in, in a named bottle so the children can apply it as needed in school. Hats and sun glasses are also useful along with water bottles so they stay hydrated.

#### Wellies

If you have any wellies any shape or size, they don't need to be waterproof ,we would like to take them off your hands. We are taking part in the Helmsley in Business initiative "The Wellie Boot Trail". We would like wellies to decorate and use as plant holders to display in the school grounds for the trail.
