Holy Communion Part 1

Last Sunday half of the year 3 children completed their Sacramental Year by making their Holy Communion. It was a fantastic day celebrated among family, friends and staff. The children were very excited to receive Jesus for the very first time and this excitement was shared by all. A big thank you to Father Christopher from Holy Family in Denton for stepping in for Father Philip while he was unwell.

Break In!!

On Monday, Reception came in to find a right old mess. One of the chairs had been broken! Mrs Williams had taped it off so that nobody tripped over it, but she had no idea how it had happened. When we investigated further we found an empty packet of porridge oats! We thought that was a bit odd. Wonder who it might have been?

Reception are on the case!!

Orange Day

Today we celebrated Orange Day to raise money for Harry's Holiday Hangout in honour of former pupil Harry Griffin-Brown. Thank you for your generous donations- we will let you know how much we raised once we have counted it all.

Well Done Year 6

This week Year 6 took part in SATs week, where they sat a range of assessments throughout the week. The children worked very hard and gave their very best in all of the assessments they completed. Well done Year 6 you should be very proud of yourselves. We are certainly proud of you.

Eco School Silver Award

Congratulations to Mr Russell and the Eco Team. Through their hard work they have led the school to achieve the Silver Eco Award. The children decided to focus on waste, energy and improving the grounds to inspire school to make changes for the better. Thank you team.

This week we officially opened our new Chapel when Nursery gathered there with invited parents to celebrate the Wednesday Word. It was a lovely occasion and both children and adults were able to experience how special the space was.

We look forward to welcoming more parents across school over the coming months. Next week we invite the parents of RMH to join us in the chapel on Wednesday at 2:30 for the Wednesday Word Celebration.

Inspired by joy, we grow together as a unique family who respect, love
and forgive each other

Visitors from Canada

This week we had a very exciting visit from a former pupil of the school who has been living in Canada for several years. **Monica** started at St Joseph's **almost 75 years ago** and has always had fond memories of her time at our school. She and her husband were visiting England as part of their **50th Wedding Anniversary** celebrations. Her husband, Malcolm, reached out to us to arrange a surprise visit to the school. Children from the School Council made a banner welcoming Monica back to the school and they gave Malcolm and Monica a grand tour. Monica was blown away by the surprise and she really enjoyed her wander down memory lane. They both really appreciated how welcome the children made them feel and Monica said that it was the highlight of the trip. Malcolm did well!!!

Monica and Malcom

They received a great welcome from the children

This week's winner of the Punctuality Award is **Nursery** Congratulations!!!
