

**Collect any materials and resources, including small leaves or fruits, that you will need to decorate your Sukkah. You need to bring these in on Tuesday, 21<sup>st</sup> May. It will be no taller than 15-20cm.**

*You need to design and make a small sukkah with your group. Your sukkah must meet the following criteria:*

- It must have at least 3 walls;*
- It must have a roof made of organic material that allows the sky to be visible;*
- It must have the four species somewhere inside;*
- It needs to be decorated with things related to harvest.*
