

Term 5

Week 4

Class 2 – Weekly Update

What have we been learning about?

In English, we finished our reports on polar bears this week and wrote descriptive poems. In maths, we have been continuing to consolidate our skills and apply them to problems. As it is mental health awareness week we have been discussing how to recognise our feelings and talk about them with trusted people. We also discussed compliments and gave each other compliments not focused on appearance. In Geography we learnt about South America and focused on Brazil.

How could you help us with our learning at home?

Please continue to read with your children at home. This should include hearing them read aloud to build on their expressive reading skills as well as discussing what they have read to encourage comprehension.

Please see the curriculum link letter for more ways to support your child at home.

Dates coming up/Things to remember:

PE will be on a Monday and Wednesday. Please ensure your child has the correct kit with them – **they need daps or trainers for PE or they cannot take part.**

Arts week – next week is arts week and canvases are due in on Monday if you have completed one.

Homework

I was very impressed with the fantastic PowerPoints and posters on polar animals! This week I would like you to complete the maths homework that involves making amounts with different coins.

Spelling: The new spelling lists for this term are on the Class 2 webpage.

Common exception words: **break, great, people, because, beautiful, friend, children, again, come.**

Contact:

Don't forget that we are always available should you have any questions or concerns. You can contact us through the email below. Alternatively, you can send in a note via your child to pass on.
