

Forest Schools @ St Teresa's

Next half term, Year Two will be commencing Forest Schools with Mrs. McGrath for a period of 5 weeks starting week commencing 10th June 2019. During the sessions, the children will take part in a variety of activities involving den building, using tools and they will enjoy snacks around the campfire.

A voluntary contribution of £10 per child (£2 per week) is required for this opportunity to cover the cost of the sessions. Payments and consent can now be completed on School Money.

The children are required to come to school in the morning in their school uniform with their forest schools clothes in a bag for changing. For forest schools, the children require old clothes with long arms and trousers, waterproof trousers and jacket and wellies.
