'Family Fun Day'

11am to 4pm - Saturday 15 June 2019

at Prestolee Locks & Meccano Bridge, Little Lever, Bolton BL3 1AB

A free, action-packed, family fun day takes place from 11am to 4pm, on Saturday 15th June around the Meccano Bridge and the Prestolee Locks at Nob End.

It celebrates the recent project undertaken by our Year 5 pupils and other local Primary Schools about the Manchester, Bolton & Bury Canal.

Everyone from the school, their friends and family are invited to come and enjoy this event, try some new activities and enjoy music, food, crafts, art and heritage stalls. Canoeing, fishing, cycling, nature trails, water dipping, rock painting, greenwood skills and plenty more free attractions mean there will something for all ages to explore.

Our pupils and children from the other local schools will work together to design and build a large art structure across the canal. They will also display their own banners with positive messages about our local community and the canal.

The Family Fun Day at Prestolee Locks is just at the end of Boscow Road, Little Lever, Bolton, BL3 1AB.

There is no parking on site, so please respect the local residents by walking or cycling to the event along the improved towpaths.
