## Weekly Message

Well done to all our year sixes who completed their SATs tests last week – you all tried hard and were amazing.

Please can I remind you that Thursday is an Inset Day as the school is being used as a polling station. As we are unexpectedly missing Thursday this week all children will receive two attendance raffle tickets on Friday.

Please can you return all class photo orders to the main school office by no later than Friday.

School closes at 3pm on Friday for 1 week for half-term. I hope you all have a great week.

**Mrs Wright, Headteacher**

**NURSERY** Otter Class have been reading stories about going on a train ride. The children have really enjoyed imagining they are going on a train and have been on some amazing imaginary trips to the beach!

**RECEPTION** Panda Class have had a busy week learning about money and working in our class shop. The children enjoyed using money to pay for items. We also have been reading the story of Little Lumpty and have been working hard to read the tricky words on Humpty's wall.

**YEAR 1/2** This week we have been learning all about 3D shapes and had a great hunt around the school in the sunshine. We have practiced balancing skills in gymnastics and even made beanstalks and planted sunflowers - we really have been non-stop this week! Well done children.

**YEAR 3/4** This week we have been focussing on extended writing and trying our best to include lots of new vocabulary in all our writing. We have been working hard on measurements in maths and trying to improve our mental maths skills.

Please can all children keep practising their time tables at home , it will make all of our tricky maths work easier to complete.

**YEAR 5/6** Wow - what a week! Year sixes have been completing their SATS this week, and all staff are so proud of them. They've worked so hard all year, and their hard work has paid off.

The year sixes are all looking forwards to their mini-residential on the 20th May

The year fives have still been working hard though - and producing balanced arguments. They have been looking at both sides of the pressing issues, such as, "Should dogs be kept on leads?" and "Would it be a good idea if all buildings and doors were made of chocolate?"
