Our Values

We draw on our Christian vision and values at Thurlow and our community ethos at Hundon to shape how we conduct ourselves and relate to each other.

The Vision

Hundon and Thurlow Primary Federation aspire to support our children to become the best they can be. They are encouraged to be kind, happy, and resilient and prepared for life in Modern Britain.

The Mission Statement

Our purpose is to provide every child with an excellent all-round education through an inspiring, knowledge-rich curriculum, delivered within a supportive, child focused environment at the heart of two village communities.

Strategic Objectives 2019-2022

- To deliver a consistently excellent standard of education to every pupil in the Federation within a safe and nurturing environment;
- To develop a curriculum which actively promotes our values and can meet both the changing circumstances in the world and the needs of the pupils in our schools;
- To support excellence in education by training and developing all current teachers, support staff and governors within the Federation, nurturing best practice, talent and innovation;
- To establish and maintain a compliant and well-run Federation that is financially viable and sustainable in every sense;
- To ensure that Hundon and Thurlow Primary Federation works closely with parents/carers, the Diocese and the wider community to nurture, sustain, develop and strengthen partnerships.
