

Hill Top Primary Academy Presents

What is a colour run? There are 4 powder stations around the field. When the runners pass each station, the powder is thrown at the runners creating a rainbow effect of colour on each person. Check this video out <https://www.youtube.com/watch?v=VvGYLeps1sE>

What is the powder made of? The powder is food grade coloured corn starch.

What time does it start? 1.45pm

What should the children wear? Something you don't mind being covered in coloured powder. We recommend a white t-shirt!

How much will it cost? £2.50 per child. This includes 1 bag of powder. Each additional bag of powder is £1

Can I buy more powder on the day? Yes! But this will be very limited. If you think you will need more powder please order below.

Who throws the powder if my child is running? Parents, Carers, Grandparents, Siblings. This is a family event.

Can children that don't go to the school do the colour run as well? Yes, the more the merrier just let us know how many children you would like to enjoy the colour run.
