MATHS Challenge 2019

Dear Parents/Carers,

Where do you use maths outside school? Where does your child use maths? Whether it is up a tree, on top of a mountain or riding a bike, we want your photos! Your homework challenge is to take a picture of your child using maths out of school and send it in to school by Friday 14th June 2019.

We will run a competition for the most unusual ideas for maths to be used. You can email your efforts to office@st-columbas.bolton.sch.uk or bring the pictures into school. You can see some examples on the website on Year Two's class page.

Obviously, we encourage you to keep safe, but we are really looking forward to seeing who in school has such a passion for maths that they have to do it anywhere and everywhere!

Many thanks,

Mrs. Plevin
