Thanks to our successful bid for funding from the National Lottery this will be the 6th and final workshop that we are hosting within the East Riding.

The workshop will deliver information about the SEND process from early SEN support right through to the completion of the Education, Health and Care Plan (EHCP) and all the steps around identification and assessment.

This is an opportunity to come along and have some time out in pleasant surroundings, enjoy a lovely lunch and chat to other parent/carers with similar experiences.
