Based on the assessments for Reading, Writing, Maths and SPAG  
 Out of the 6 classes, Y1-Y6, the data below shows how many out of the 24 areas, SEND progress was in line+ or accelerated

	EOPY-Sum 18		EOPY - Spr 2019
Inline+	20/24 83%		19/24 79%
Accelerated	18/24 75%		13/24 54%

At the end of last academic year, and based on the most recent data, more than half the average of the PP areas analysed made accelerated progress from starting points for pupils. This proves that PP children's in school progress is above average and improving across most subject areas.

- “Disadvantaged pupils are a school focus but the school's evaluation that the pupil premium is diminishing differences for these pupils. As for key stage 1, foci include ensuring that disadvantaged pupils are supported to work at greater depth, and also that the focused pupil premium progress reviews review and develop the use of additional funding, including for TAs and interventions are effective. The intervention books introduced by the school will continue to evidence the impact of school's support for these pupils. The assessment leader will also work with class teachers to ensure that focussed actions and support are effective. An additional challenge for the school is to increase the attendance of disadvantaged pupils. The school has introduced a reward of £10 / term for pupil premium pupils with an attendance of 97% or higher. To boost outcomes for all pupils, including disadvantaged the school has invested in mastery training, as well as embedding quality first teaching. Staff have been trained in big maths and grammar hammer to ensure that high attainers are challenged appropriately. School's evaluation is that its pupil premium is diminishing differences and therefore its impact is positive. However, these pupils continue to be prioritised in school's planning and targets setting.”* Brian Beal StEP Monitoring Visit – Nov 2018

2. Barriers to future attainment (for pupils eligible for PP, including high ability)		
<b>In-school barriers</b>		
<b>A.</b>	PP children attainment is not consistently in line with non PP children (all areas and key stages). The number of children achieving ARE at the end of each key stage is lower for PP children than non PP children	
<b>B.</b>	The number of PP children achieving greater depth is lower than non PP children and lower than national levels for all areas and key stages	
<b>C.</b>	The number of children achieving the expected pass mark in phonics screening is below national levels	
<b>External barriers</b> ( <i>issues which also require action outside school, such as low attendance rates</i> )		<b>Actioned/Completed – May 2019</b>
<b>D.</b>	Attendance rates for pupils eligible for PP are 95.3%. This is lower than all school attendance (95.4%) This reduces their school hours, affects intervention and booster plans and has an impact on their learning and achievement.	
<b>3. Desired outcomes</b>		
	<i>Desired outcomes and how they will be measured</i>	<i>Actions</i>
<b>A.</b>	Raise attainment of PP pupils in all areas and key stages	<ul style="list-style-type: none"> <li>• Appoint and develop the role of a pupil premium lead teacher to track progress, attainment and interventions for PP children throughout school</li> <li>• Ensure the thorough PPR system is embedded as it enters its third year of being in place this will identify and support the monitoring of PP children in all key stages.</li> <li>• Frequent MER will take place which analyses the effectiveness of the PPR actions being put in place. (SLT and PP Lead)</li> <li>• Through the PPR, specific actions are set with the PP lead, assessment lead and class teacher, to ensure any children falling behind receive specific booster and intervention plans through use of TAs.</li> <li>• A free pupil premium homework club will be in place for all PP children to access</li> <li>• Introduction of PP PPR to be shared with all class based staff.</li> <li>• Intervention Books for PP children are in place and checked regularly for effectiveness and consistency by the PP Lead Teacher to ensure progress is tracked and interventions are taking place.</li> </ul>
