

20th May 2019

Dear Parent/Carer

After School STEAM Club

Junior FabLab after school club coming back to Meersbrook Bank Primary School after the half term holiday. FabLab is designed to get children excited about science, technology, engineering, art, maths & making (STEAM). We bring together experienced scientists, engineers and teachers to run hands-on workshops and activities to inspire children in science and learn about how things work. Each session will focus on either, an experiment, a challenge or a making activity, including things like rocket science, chemistry, electronics, K'NEX and Lego.

Junior FabLab will start on **Thursday 6th June** for 6 weeks and will run from 3.30pm – 4.30pm. Places are limited to 20 children. The course costs £33.00 which includes the cost of staffing and specialist materials and equipment.

If you would like your child/children to join Junior FabLab, please book online at **www.steamworks.org.uk**. If you have any queries about booking, please contact me on 07876705823.

Yours sincerely

Helen Bell
