May 2019

Dear Parents/ Carers,

Values

Our Value for May has been 'Responsibility'. We have been discussing how to behave responsibly and be the best we can be. We have also been discussing how it is our responsibility to carry out our tasks to the best of our ability.

During June our Value will be Respect and we will be discussing how to show respect for ourselves, each other and the environment.

May Celebration

We were really delighted to see so many of you at our May Celebration and Fair. The children performed beautifully and the Royal Party really enjoyed the entertainment. Florence our Town Cryer was amazing. It was also lovely to welcome back last year's May King and Queen Jessica and Gabriel. Thank you for your support and generosity. We will let you know how much you have helped us raise when we are given the final figure by the Friends Committee.

A big thank you to Imogen and the Friends committee for working so hard to make this event such a wonderful success.

Weather

Please remember the children need to have sun hats and water bottles in school every day. They also need sun cream on; the type which only needs applying once a day before school would be very helpful for us. As our weather is so unpredictable please ensure that your child brings a waterproof jacket to school every day as well. Thank you so much for your support in this matter.

Summer uniform

Girls may wear pink and white dresses with white socks and a school sweatshirt or cardigan with our logo on. Boys may wear grey shorts, grey socks and white polo shirts with a school sweatshirt. Children must wear black sensible shoes that give their feet enough support as they enjoy running around our lovely outside environment during playtime. Hair must be tied back as soon as it is long enough to do so with an appropriate hairband for school. Large hairbands or character bands are not appropriate for school! Please could you be kind enough to also check that clothing is still named!

Outside Environment Work Party

Thank you so much to Darren for leading this event. We were delighted by the amount of support we received on the day. Everybody worked so hard to improve the wooded area and sensory garden in particular.

Nuts

Please remember that we are a "nut and sesame free" school, therefore no nut/sesame or containing nut/sesame products may be brought to school.

Please note that school is closed on Monday 3rd June 2019 for In-service training.
