"Where Childhood Matters"

Dormice and Fieldmice Newsletter, Week Ending: 23/5/19

Dear Parents/ Guardians,

This week we have continued our learning on Little Red Riding Hood. We started the week by reading Oliver's Vegetables and Oliver's Fruit Salad, leading to a great discussion about 'what is healthy food?' Tying in with healthy eating, we have learnt about having a healthy lifestyle too and how it is important to exercise regularly. All children have designed their own healthy picnic basket for Grandma, thinking carefully and using their phonics to write different healthy foods.

In maths, children have been recognising different coins and understanding their value. They have used coins to make an amount in order to buy different items. The children are gaining confidence in recognising coins and are also getting better at adding small amounts together. Many children have enjoyed applying their money knowledge in shopping role-play scenarios during choosing time.

Things to note:

- After half term, we will be learning about animals, eggs and new life. Our particular focus for the first week back will be owls. We would like the children to find out and bring in some owl facts. Thank you in advance.
- A reminder that during the first week back on Thursday 6th and Friday 7th June, the whole school will be learning about Hinduism. Please refer to details on the previous letter.

If you have any concerns, please do find us at the end of the day. We all hope you have a wonderful break,

Mrs Sizer, Miss Searby, Mrs Pierrepont and Mrs Stinson.
