Dear Parents/Carers,

**Year 6 Summer 2 (June – July) – Trip, Workshop and Cake Sale.**

Between now and the summer holidays, we have 2 very exciting events booked in for Y6, which will help to enhance your child’s learning and give a different perspective on the topic we will cover, celebrating all of the hard work and effort the children have put in this year.

On **Wednesday 12<sup>th</sup> June 2019**, the children will be visited at school by Lab in a Lorry, where they will take part in a forensic science workshop using fingerprints, chromatography and light microscopes to help solve a CSI-style investigation. This links in with our new topic **ID**, where the children will discover everything that makes them amazingly unique. This fantastic workshop will be **free!** We will however just need you to fill out the permission slip below.

We are very happy to say that we have been able to book our celebration trip to **Chessington World of Adventures** on **Monday 1<sup>st</sup> July!** We will be leaving school **promptly at 9:00 am**, travelling by coach, and will return to school at **4:00 pm**. Please ensure your child has a packed lunch. If you are entitled to free school meals and would like your child to be provided with a packed lunch, please indicate this on the reply slip below.

Can all payments for the Chessington trip, which will be **£24**, please be paid via ParentPay by **Monday 24<sup>th</sup> June 2019**. If for any reason you are unable to make payment by this deadline, or if you require a barcode, please contact the office as soon as possible.

Finally, in order to raise some funds for our end of year production, we will be holding a cake sale in June and would very much appreciate as many cake donations as possible. We will send out further details about this after the half term.

We hope you all have a lovely half term break and look forward to seeing you for a very exciting, and busy, Summer two term!

Kind regards,  
The Year 6 Team
