## Our Charity work at Barrow

Thank you for all your contributions that were put in the Christian Aid bucket at our school. We have also been busy fund raising for others, and raised £209.80 for Water Aid last Friday and on Monday sold £27.89 worth of Fair trade brownies made by Class 5. Thank you all once again for your support.

## Website

On Friday 7th June our new website will be launched and the old one removed. We hope that this is easier to navigate. As the weeks go by we will update you of all the features available, such as being able to sync our calendar with yours on your phone and access support in the form of videos to show you how to do certain bits of maths or writing. The web address remains : <http://www.barrow.lancs.sch.uk> Please note if you go in via google it sometimes takes you to a different Barrow Primary. This fault has been reported to them. There will be links from our website to our new facebook and twitter sites that will also update you and keep you informed.

## Forest School

Our children who have been attending Forest school have been having a fabulous time. On Thursday 27th June parents of children involved can go over to Clough Bottom Farm, Talbot Bridge, Bashall Eaves, Clitheroe, BB7 3NA and see the wonderful things they have been doing. These children are going to be instrumental on advising and designing our future forest school environment at Barrow. The trees have been ordered, so thinking caps on !

## Sport's Day—Friday 24th May

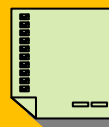

Hopefully our sports day will be on track to happen tomorrow.

Our PTFA will be serving refreshments, so please bring pennies and also chairs or blankets to sit on. There will be designated areas to sit, so please be aware. Also the lines have had to be remarked nearly round the back of the nursery building- so come and find us. As in previous years, children will not be able to come across to you, so please don't put them in a difficult position by asking them to. Children will be dismissed from classrooms at 3.30pm as usual. So please do not remove them from the field, as this makes safeguarding them really tricky.

## Out of School Club - Booking forms

Please complete and return the form by tomorrow in order for bookings to be in place for after half term. Thank you.

## Staffing

Due to our proposed expansion, we are having to have a little switch around of staffing for September. Mrs Cox will move to Reception Class, Miss Holden to Year 1 and Miss Rushin to Year 2. When we know arrangements beyond those classes we will let you know.

## F.O.B.S

Please come into school and sign up for our Summer Fayre. We need lots of helpers for various stalls and events, including setting up and tidying away. We want this to be a fabulous money raiser for school, so sign up to help us raise thousands. After half term we will need children and adults to deliver leaflets in the local area so that the Barrow Summer Fayre is an annual community event.

## Action day

Please come down to school to help out on Saturday 8<sup>th</sup> June. All hands on deck to move tonnes of bark, sand, soil, build raised beds, plant and paint. Bacon butties provided.

## Class Trip Volunteers required

If you are able to accompany one of our class trips to help with our pupil/adult ratios, please let the office know. Your help would be most appreciated as the trips cannot go ahead without the correct number of adults. The dates are: C5-24.06.19, C3-04.07.19, C2-09.07.19, C1-10.07.19 & C4-12.07.19
