

24th May 2019

Dear Parents/Carers,

Seen as we are nearing the end of Year 1 it is important to prepare the children for the Transition in to Year 2. Therefore, to support the children we will be changing how the children are dropped off at school and how they are picked up. From the start of next half term children will be dropped off at the red outside doors into Year 1, they will then be picked up at the end of school from the red outside doors.

If you have any questions or concerns, please don't hesitate to ask.

Mr Williams
