

It was lovely to see so many of you at the Parents Forum and the poetry performance. I am sure that you would agree that they were magnificent. It was a privilege to see them perform to such a high standard. Many thanks to those people that have agreed to be a Trustee for FOMCU. This will make a huge difference and we are looking forward to working together to come up with new ideas for fundraising.

We have conducted interviews for a new class teacher and have made an appointment, we look forward to announcing the successful candidate soon as we can. We had a very strong field of candidates!

After a short but action packed term 5 we wish you the very best for a restful and sunny half term break and look forward to welcoming you back to school on the 3rd June for Term 6.

Bath Carnival ~ It was a magnificent couple of sessions of sound, colour and performing arts as the children took part in the carnival workshops. This culminated in their very own mini carnival and we enjoyed the event hugely. We will send more information next term on the Carnival itself which takes place on Saturday 13th July between 12:00pm and 4:00pm.

New Classes for September ~ We are going to announce new classes for September at the beginning of next term and you will have information on your child's new class by the end of the first week back. If you have any concerns or questions about this please do not hesitate to get in touch.

Barton Camp ~ Please could you let the us know if your child is attending camp next term. There have been letters sent out and we are still awaiting confirmation from a number of families. If you have not returned a confirmation please could you get in touch to let us know. As always any concerns please do get in touch and let us know.

Gold Class – We went on a wonderful local walk with Platinum Class and loved looking out for proof of animals and insects that are living in our local environment. We spotted badger sets, worms, snails, ants, woodlice and many more living creatures.

Platinum Class – Platinum class worked really hard on practising their poem and writing their own. We have been exploring our pond and helping to count the newts.
