## Term 2 SRP Newsletter

**Term 2 continues to be non-stop and very busy.** As you are all aware we have had Ofsted. Their report will be out very soon. The children have been busy with many cinema trips, trips to Kingsdown, the Tempest Production and swimming. And we are only half way through the term with the Christmas countdown about to start!!

The children have started to settle with the new SRP staff team now and understand how the staffing rota works to support them. We have managed to implement many new interventions this term that the children are really enjoying and learning many skills through the activities.

The 'new' morning plan this year with how the children coming in is also going well and has helped support them to settle.

Jess Delicata and SRP Team

### Term Dates

End of term 2 – **Friday 21<sup>st</sup> December 2018**  
at 1pm

Start of term 3 – **Tuesday 8<sup>th</sup> January 2019**

### Christmas Activities

Next week there is the Christmas Concert at St Phillip's Church on Tuesday 11<sup>th</sup> December in the morning. We are currently working on encouraging the children to take part where possible and it would be lovely to see you in the audience.

Unfortunately, as the evening performances rely on SRP staff volunteering to attend we will not have enough staff to support the children in the SRP. If you were hoping that your child could go then please come and have a conversation with the SRP Lead.

There will also be Christmas lunch that we hope the children will want to join in and year group parties.

We know that the children find this time of year challenging with the changes to routine and structure. Therefore, in the SRP we try to keep Christmas to the last week of term and we try to keep our routines the same where possible.
