Issue 29— 24th May 2019

Dear Parents,

Science is everywhere - and what a way to spend the holidays than a Science Fair Project. At the beach building a sand castle, in the garden playing with cars, or on the farm watching the tractors work. It is everywhere! This year there is a slight twist that the winners of the Years 1/2, 3/4 and 5/6 Science Fair will be going to The Hampshire Collegiate Inter-schools' Competition. I can't wait to see what the children come up with.

The Big Story Day was a fabulous day where we took the time to develop our new school values. All of the children, staff and governors worked collaboratively together to create our new values. You will be able to have your say very soon...

The learning in school has been hands on all week - Outdoor Learning Day at the KS1 site was not only exciting but exhausting as well! The 5s and 6s had a wonderful time orienteering and our cricketers did it again! 1st in the cluster competition and off to the county finals.

The new build is taking shape - the plasterers have been in and it is ready to paint. If any parents could get together to help with a painting working party please let me know.

Lastly, the sun has got his hat on. Please enjoy the holidays and the sunshine but make sure the children have hats on in school!

Have a great break and come back rested and ready for Term 6
