

## Weekly Update: Term 5, Week 4 - 20<sup>th</sup> to 24<sup>th</sup> May

Wow - end of another busy week! Key Stage 1 celebrated successfully completing their SATs with a Mad Hatter's Afternoon, we rocked out to the joint schools Rock Band and Years 3 and 4 took advantage of the lovely weather to sketch by the river - fuelled by chips from The Boundary! Thank you to all those pupils who took part in the sporting events this week, you were an excellent advertisement for our school. We are enjoying the activities for the Deepings Literary Festival and are delighted to be hosting the Year 6s from all the local schools in our lovely new hall to meet the award-winning author Cathy Cassidy on Friday. And although we're all looking forward to a relaxing Half Term, here's the News Forecast for Term 6:

**Term 6, Week 1 - 3<sup>rd</sup> to 7<sup>th</sup> June** Events of note happening in the first week back after Half Term are:

**1. Science Week!** - We will be undertaking a whole series of class events (including workshops on computer engineering, beekeeping, flood defences, engines and Lego) throughout the week, so please don't forget to send your child in on 3<sup>rd</sup> June with an old white shirt they can use as a "Lab Coat" to record information on, and do the Science Week Homework (please see Parentmail). There will be a showcase to parents and carers on Friday at 2.30pm so you can all come in and see what the children have done throughout the week.

**2. Prokick Sports Challenge** We are delighted to be launching this event again with an assembly on Monday 3<sup>rd</sup> June - please look out for Sponsor Forms coming home. On Friday 14<sup>th</sup> June the Key Stage 1 and 2 children will take turns to kick a football into a giant goal with technology enabling the speed of the kick to be measured. Every child gets the chance to win medals and exclusive footballs. The sponsor money will be shared between charities and the school (for more PE equipment).

**3. Golden Tickets Reward** All those children who have reached the milestone of 50 or more Golden Tickets will have earned a reward of watching a film in the studio all afternoon with popcorn and snacks in their onesies (or pyjamas!) Later in the term the children who have earned the highest number of Golden Tickets this year will be invited on a trip to the "Food and Farming" event at the East of England Showground on 28<sup>th</sup> June, which is a fabulous day out.

**4. Year 6 Tallington Reward Day** Year 6 will be going to Tallington Lakes for Tobogganing and Raft-Building on Friday 7<sup>th</sup> June as a reward for all their hard work right the way through primary school. Please ensure they have the correct clothing (checklist available on the website) and that we have a signed permission form in order for them to take part.

**5. Music Lessons for 2019/20** Following the Rock Band performance this week we have now sent out the form for booking music lessons for next year. If your child currently has lessons you will still need to complete this form for them to continue next year. Payment must be made each term in advance and 4 weeks' notice must be given to cancel the contract. The closing date for forms is Friday 7<sup>th</sup> June - any applications received after this date will be put on a waiting list for spaces.

**6. Class Photos** Closing date for orders for Class Photos is Monday 3<sup>rd</sup> June - first day back!

**Weekly Planner: Term 6, Week 1 - 3<sup>rd</sup> to 7<sup>th</sup> June**
