This really must be the shortest term on record, it has gone so fast. Well done to Year 2 who have now finished all of their SATs exams. Next term, Year 1 have their phonics screening test. Local Authority moderators will come to look at our writing in Year 6 and reading, maths and writing in Year 2 – I am sure that they will be impressed with all the hard work the pupils and staff have put in. The highlight of this week was ‘West Acton’s Got Talent’ finals - but then I am slightly biased! The evening was just perfect and it was a pleasure to see a whole range of talented and confident acts on stage. Thank you to the PTA who provided decorations and prizes and special thanks to Miss Guest who organised the contest so well, not to mention the brave and well-coordinated teachers who put on an excellent dance performance.

Wishing you all a happy and safe half term. We return to school on Monday 3rd June.

Tip of the week from Lia the School Counsellor

Developing Friendship Skills

School is the place where children learn to navigate the world of friendships. At this age, alliances often shift and change. Learning to make friends and get along with peers can cause some distress to most children.

How can parents help?

It is important to listen to your child’s experiences with peer challenges. Instead of telling them what to do, help them problem-solve, and also help them to clarify and understand their feelings. It is always best to stay away from taking sides with either child- offer empathy, for all of your children’s feelings, and also reflect together on how their peer might be feeling. Coach your child to stand up for themselves using their words and help them learn to express their needs rather than attacking their friend. It is helpful to practice this together!

Sometimes we could all do with someone to talk to. If you would like to meet Lia for a confidential and non-judgemental chat about you, your child or any other worries, she is available on Mondays 9-10am. To book an initial appointment, you can call/text Lia on 07469 701 260 or email her at younl206.307@lgflmail.net

British Values

As a school community we adhere to the British Values. Pupils are reminded of these during every PSHE lesson and around the school.

Racism, unkindness, physical assault and bullying has no place at West Acton. Please do encourage your child to talk to adults if anything is upsetting them - all our staff have been trained in Active Listening this term. If you need to discuss any of these issues further please contact Miss Kondo via the office.
