The constant quest for knowledge, learning and adventure...

Dear Parents, Carers and Governors,

The school has been strangely quiet this week without our Year 6 pupils... who knew they were such a noisy bunch!!

Year 2 Special Agents

Today was a big day for Year 2 - they finally became Special Agents! Every child has worked extremely hard all year in order to achieve this special status and we could not be prouder of them all. Thank you to everyone that attended our award ceremony today; it really made it all the more special for the children to have you all there!

Maypole Dancing

As a school we have access to a maypole and this week Years 2, 3, 4 and 5 all had a lesson from a professional to put some sequences together. Staff and pupils have reported how well this went, therefore we would like to run a club for this next term to build upon these new skills. Please do sign your child up if they are interested in taking part.

Kent Test appointments

Just a reminder to all parents/carers of Year 5 children that there is the opportunity to meet with Miss Terry on Tuesday 4th of June to discuss the Kent Test. Whilst this may seem a long way off, the test is usually within the first two weeks of returning to school in September and that will come around really quickly! Please contact the school office to make an appointment. Parental registration for the Kent Test closes on 3rd July.

Class Photographs

School class photographs will be taken during the first week back after half term, on Friday 7th June. Please do send your child in looking smart and in the correct uniform. Thank you.

we can plan for the event accordingly. If you have not already returned your slip then please **do so after the half term break, it's not too late!**

The children are excited by this annual Friday evening Music Festival; they all sound fantastic and so we are all in for a treat!

Eco Bricks

We hope that you are all still busy stuffing your eco bricks with non-recyclable materials! The school is hoping to build something with them, assuming we get enough handed in, during Term 6 so please do involve your child(ren) in this project by helping them to do this at home over the half term break and bring them in once we return to school.

Rude Mechanical Theatre

Don't forget the exciting arrival of the Rude Mechanical Theatre to our school field on Saturday 1st June. This offers a hilarious, romantic production performed by a top quality professional cast of actors and musicians, and the chance to experience a full-on physical **theatre experience in the company's white-faced commedia dell'arte style.**

The show starts at 7.30pm but the school field will be open from 6pm for anyone wanting to come along a little early and have a drink or a picnic; the PTFA hope to run a bar on the night. All you need to do is book your tickets and bring along your own low backed chairs, rugs and warm clothing.

Tickets are still available online directly from The Rudes' website <https://www.therudemechanicaltheatre.co.uk/book-tickets>. Please do support this exciting event.
