Dates for the diary

Break Half Term
Fri 24th May 3:20pm

Return to School
Mon 3rd June 8:50am

Class Photographs
Tues 4th June

Family Learning Event
Thurs 6th June

Y6 Leavers Play
Tues 9th July 6pm &
Wed 10th July 6pm

Sports Day
Fri 12th July 1:30 pm

Summer holidays
Fri July 19th
2:30 finish

Dates for the year are
on the website.

Whole School Information

This is the last newsletter of a very short half term. Now that the weather is picking up, I would like to wish you all a happy half term.

Summer Uniform

As the weather gets warmer, many children want to come to school in shorts. This is fine but they must be plain black, grey or dark blue. Some boys are wearing football shorts and these are not suitable for school. If your child arrives not in uniform they will be asked to change into spare school uniform.

A sun hat / cap is also a good idea on sunny days. On very hot days we will restrict the amount of time children spend outdoors, for example in P.E.

Drinks

We have 3 water coolers in school. Children can bring their own water bottle and fill it during the day. We also sell bottles of water on our morning tuck shop. Juice is acceptable in packed lunches but not in the classroom.

Class Photographs

The first Tuesday back after the holiday is class photos.

Family Learning Events

We have a few places left on our family learning events. 'Coding Robotics & Drones' is the first session on Thursday 6th June 9:15 - 11:15 in the school hall. We have places for 12 families. You will work with your child to use the latest in programmable drone technology.

The second session is 'Recycle It' on Tuesday 18th June 9:15 - 11:15 in the school hall. In this session you will use everyday products to make craft items such as sock puppets and jewellery.

Please let the office staff know if you would like to take part.

Thank you
Mrs. Bartholomew

INSET Days 2018—19

Mon 3rd September
Fri 21st December
Fri 15th February
Fri 12th April
Thurs 23rd May
Mon 22nd July

Shout Outs

Y6 well done, SATs are now over!

Well done to Jade Moore chosen to play in the Women's World Cup.

Please let us know if you have something to shout out about.

Shield Point Winner

Teaching and Learning

Y6

Well done to all Y6 children for their hard work and commitment during SATs week. These tests have to be taken in a certain order as determined by the Government. Whatever the outcomes we know that the children gave their best efforts in all tests. We now have to wait until mid July for the results to be returned to us.

Today Y6 have been entertained with a performance called 'All Geared Up'. The play covers some mature themes to help them as they approach High School.

Y5

Both visits to Grimm & Co. were very successful. The children all became authors and have brought their own books back to school. We are always proud when members of the public comment upon the excellent behaviour of our children, well done.

Y4

I've read some truly stunning writing this week from Y4 linked to their novel 'The Lost Thing'. The children have really understood the themes in the book and can relate to them in their writing. Ask them about their letter writing.

Y3

It is a pleasure to see how the Y3 children have matured over their short time in our school. I often see challenging concepts, particularly in Maths, being taught in class and they are fully engaged.

Remember to check the school website class pages if you want to know anything else.
