

Year 3 / 4 Topic Homework Summer 2019

These challenges are a starting point. You can either choose one of these or if you have a better idea linked to our topic, go for it! We love to see what the children have come up with whether it is a poster, model or PowerPoint. All topic homework is due in W/B 08/07/2019

<p style="text-align: center;"><u>Investigate it</u></p> <p>Find out about an interesting animal. Find out its food chain (or web) and its habitat. Present this information however you choose.</p>	<p style="text-align: center;"><u>Make it</u></p> <p>Make a model of teeth. Can be human or animal teeth.</p>	<p style="text-align: center;"><u>Explain it</u></p> <p>Why must we brush our teeth? Explain this on a poster or as a leaflet.</p>
<p style="text-align: center;"><u>Model it</u></p> <p>Make a model of a human (or a different animals) digestive system.</p>	<p style="text-align: center;"><u>Draw it</u></p> <p>Draw the perfect habitat for an animal of your choice. Label why it would be best suited to this animal.</p>	<p style="text-align: center;"><u>Have a better idea?</u></p> <p>Wow us with something to do with the animals (including humans), the digestive system and teeth. Be as creative as you like!</p>
